He's progressing steadily, he's now up to doing ½ speeds in his work & is doing this nicely. Physically he's still a little bit immature and is a big, framed colt. Comment from Last Run ~ Finished 2nd of 10 runners; took keen hold, prominent, switched left then short of room against far rail over 1f out, challenging inside final furlong, kept on but no match for winner. Mandurah, dropped in class, ran well, chopped off against the rail when starting to make her move and picking up well when in the clear. She was no match for the thriving winner but is one to keep on the right side of.
