C.E.M CERTIFICATE

A certificate is NOT required for 2-year-old fillies in this category

This certificate must be submitted online before arrival of the Lot at Park Paddocks or at the duplicate or outside standing.

Local Trainers should refer to point 7 of the CEM Instructions.

The Vendor or his/her Agent is solely responsible for the accuracy of this certificate.

**To be completed by a Veterinary Surgeon and dated WITHIN 30 DAYS OF THE SALE
(i.e. from June 6th onwards):**

Swabs must be submitted to a Laboratory approved by the Horserace Betting Levy Board (HBLB) in the United Kingdom or to National Approved Laboratories in France, Germany, Ireland or Italy.

On the 25th June 2021 (Date) **A SINGLE CLITORAL SWAB (FOSSA AND SINUSES)**

was taken from the filly DISBELIEVE (GB) (Name) and submitted

for bacteriological examination for C.E.M. at the NEWMARKET EQUINE HOSPITAL Laboratory and cultured under both aerobic and microaerophilic conditions or tested by PCR.

The results were negative. Neither *Klebsiella pneumoniae* nor *Pseudomonas aeruginosa* were isolated.

Signed  M.R.C.V.S.
