To whom it may concern:

The above animal has been kept at Rockingham Yard, Duchess Drive, Newmarket, Suffolk, CB8 9HB, and the premises are regularly attended by this practice.

These premises are not subject to any notifiable disease restrictions and to the best of my knowledge no cases of infectious or contagious disease have been reported to the practice during the 90 days prior to the date of this declaration.

The above animal has not, to my knowledge, been in contact with equidae showing clinical signs of African horse sickness, Dourine, Glanders, Equine encephalomyelitis, Equine infectious anaemia, Vesicular stomatitis, Rabies, Anthrax Borna disease, Contagious equine metritis, Equine viral arteritis, Epizootic lymphangitis, Hendra virus infection or Surra during the 90 days prior to the date of this declaration.

For at least 30 days prior to the date of this declaration the above animal has not come into direct contact with other equidae that are either diseased or equidae that come from a country of a lesser health standard as the animal certified in this declaration. I have attended the above premises at least twice during this 30 day period to ensure that the isolation has been maintained.
